Ornamental Grass

- (1) Leaves will be picked up starting October 16th continuing through the 1st week of December ending December 8th when raked to the curb.
- (2) Recycle your grass using a mulching mower or by cutting your lawn frequently and leaving the grass on the lawn. This does not contribute to thatch and provides an excellent fertilizer. You can place your grass out for the regular trash collection, but this is not recommended by the Township or the Department of Environmental Protection (DEP).

Violations are subject to fines and/or prosecution under Chapter 148 Solid Waste.

Yard waste is picked up curbside. If you have questions, please contact the Township @ 610.866.1140.

Yard Waste & Leaf Collection schedule is subject to change based on weather conditions and Township operational needs.
